

SETSOTO LOCAL MUNICIPALITY

SUPPLY CHAIN DATABASE UPDATE

The Setsoto Local Municipality hereby invites interested suppliers and service providers to register on the Database of Potential Suppliers / Service Providers. Suppliers / service providers already registered are also requested to submit their registration forms for the purpose of updating the information.

Registration forms are available from the Municipal Offices (main building), 27 Voortrekker Street, **FICKSBURG**, and should be sent to the aforementioned address on completion. Forms are also available electronically from the website; www.setsoto.co.za.

To be considered for registration, applicants must submit the following documents:

- Fully completed registration form
- Valid and original Tax Clearance Certificate
- Certified Company registration certificate (CK1 or CK2)
- Company profile
- ID copies of directors (certified)
- Empowerdex certificate issued to accredited companies (if applicable)

Contact person: Mr Matthews Mkhwani (051) 933-9300 ext 9351

Building contractors are required to attach copies of CIDB / NHBC registration certificates. Consultants and contractors in Engineering and other fields / services are also required to submit relevant accreditation certificates in their respective fields of speciality. Supplies / services not indicated hereunder are also acceptable for registration.
